Board Report December 2018

EISEP Program Highlights:

- Greater Baldwinsville Chamber of Commerce Luncheon – presented program highlights
- EISEP Case Managers meeting

EISEP Success Story:

I received a very kind thank you letter from a perspective client's family. Unfortunately, after completing the home visit, the client was not qualified for the program. The family wanted to thank me for assisting them with referrals to other available options. I feel that it is extremely important to ensure that all perspective clients are aware of different options, even if they will not be on my caseload.
