Re: Grant No. 02CH3086

Dear Head Start Grantee:

The Office of Head Start (OHS) has determined that your program is currently eligible for a non-competitive five year grant award to operate the Head Start program.

The OHS will issue your new grant award at the end of your current grant award, except when the next budget period is less than 45 days from receipt of this letter.

Should your program meet one of the conditions specified under [45 CFR Part 1304.12](#) prior to your new award, your agency must report to your Regional Office using HSES Correspondence within 10 working days of occurrence. If OHS determines that your agency has met one of the conditions under [45 CFR Part 1304.11](#) prior to award, your designation will change and you will receive notice that your organization will instead be required to compete for funding.

Your Regional Office of Grants Management will communicate standard grant closeout procedures in the near future.

Congratulations on your non-competitive designation and thank you for your continued work on behalf of children and families. Please direct questions to your Regional Office.

Sincerely,

/Ann Linehan/
