

P.E.A.C.E., Inc. Internship Program

Program Goal:

Offer college and graduate level students an opportunity to acquire experience and gain general knowledge of working with people who are living in poverty as they struggle to become self sufficient.

Role of the Director of Volunteer Programs:

- ❖ Encourage, facilitate and track the placement of interns at P.E.A.C.E., Inc.
- ❖ Foster relationships with area colleges and universities to promote internships and service learning.

Role of the Program Directors:

- ❖ Supervise, train and evaluate interns.
- ❖ Complete internship paperwork as required by individual schools.
- ❖ Ensure intern submits the Internship Application to the Director of Volunteer Programs.

Eligibility Requirement for Internship:

Candidates for the Internship Program are selected on a competitive basis. The following minimum qualifications are required:

- ❖ Enrollment in a college or graduate level degree program in an accredited school.
- ❖ A demonstrated interest in the work of P.E.A.C.E., Inc., particularly working with people who are living in poverty.
- ❖ Direct supervision by a faculty member of the prospective intern's school
- ❖ Excellent written and spoken communication skills.
- ❖ Excellent computer knowledge.
- ❖ Excellent interactive and interpersonal skills.
