Project Connection is…

...a networking facility working with other city agencies to connect residents with available resources.

...a comprehensive, innovative activity center specializing in preventive youth services and adult self-enrichment training.

Project Connection is…

...open to all people residing in the City of Syracuse. Activities for children are open for ages 5 and older.

...able to give and receive information over the phone by calling 474-3011 or stopping by our location.

Project Connection is…

...always looking for parents, students and community members to be a part of the connection by serving as mentors and champions to the community youth.

Project Connection is…

...proud to be a “Positive People Zone” making the connection between people and community support.
